

Meeting Place Connection Inc

People meeting people. God meeting People

Community Group

The Meeting Place was this year blessed to be nominated in the Fraser Coast Regional Council Australia Day Awards

In January this year tMP was nominated in the category of Community Group of the Year. This category was one with the biggest number of nominations. A lot of effort was undertaken by the person nominating. While we didn't "win" it was certainly a real bonus to be considered and increased awareness in the community.

Streetwise Pantry

The Meeting Place currently has an open pantry near our front door.

In association with the Maryborough Homeless Action Group we currently have the first

Streetwise pantry in Maryborough available to those in need. It is available 24 hours per

day / seven days a week. It is stocked by people in the community who give generously to have food available to those who find themselves short.

While there are the obvious teething problems with children 'raiding' the cupboard we know of many people who have benefited.

A review will be undertaken to determine its effectiveness and efficiency.

PS As we write a 2nd one has opened in Maryborough

Purchase of the Building

Through the VERY generous support of the previous owners, Meeting Place Connection Inc (MPCI) are now the proud owners of 115 Steindl St Granville.

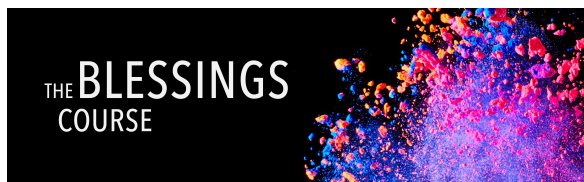

In our previous newsletter (Nov 2018) we reported on the blessing of being able to purchase the property known as The Meeting Place.

Thank you so much for your prayers regarding this. While the process was quite drawn out it is now complete, and MPCI are now the overjoyed owners. Thank you also regarding your prayers for exemption from

stamp duty. This has been granted and has saved us over \$8,000. God is good.

If you would like to make a regular contribution, or a one off contribution, towards our weekly payment of \$400 you can either contact us or make a direct debit to the building fund account.

(see account details on the other page)

In February we commenced a 7 week course on Blessing

Based on the book “The Way of Blessing” by Roy Godwin & Dave Roberts. Nine people met for a very special time together. Some of the things we were reminded / learnt included:-

- God is a God who blesses
- We are blessed by God and called to bless

- Blessing brings in new life and new community
- Blessing the land and areas, regions and nations.

We will be running this course again in term 2 and also planning on starting a monthly “Gathering to Bless”

Some pics from our Christmas 'party' and Red Dirt Church baptism

May the Lord bless you and protect you.
 May the Lord smile on you and be gracious to you.
 May the Lord show you his favour and give you his peace.
