Birthday Celebrations

On the 9th June this year the Meeting Place celebrated 3 years of being part of the Granville community.

The day started with a prayer time and blessing before the crowd arrived for the car boot sale, everyone enjoyed a sausage sizzle, fantastic coffee, live entertainment

and op shop bargains. The celebrations continued with the cutting of our birthday cake. Barb (pictured), who comes along to the cafe and opShop most Thursdays and Saturdays, was chosen to cut the cake.

Lovely sunny weather made it a great day that was enjoyed by the many who attended.

The friendship and support of everyone who helped in some way to make it a special day was very much appreciated at tMP.

The day finished with a 'Live at the Chapel' worship and prayer night.

Physical Changes

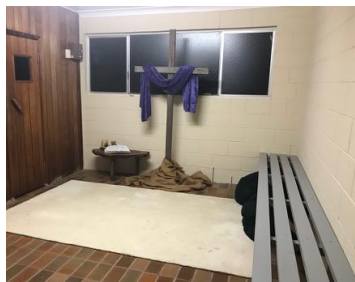

Recently we completed the transformation of the old "gym" into a 'Prayer Room'. Court 5 also had an ambience shift, more conducive to the Chapel it houses.

With a wash down, a couple of coats of paint, some new styling, and softer lighting in the chapel, both of these areas have become welcoming and inviting for people to sit and pray, meditate, reflect or worship either individually, or in a gathering.

It has been great to finally give the Little Treasures some lights in the area again

Little Treasures and their leaders have been very patient!! Since December last year some of the lights in the Little Treasures area have been 'burnt out' thus making all the lights in their area unusable. Fortunately, with the lights in the adjacent courts all working OK they have had just 'enough' light to be able to see OK. But now, they are able to enjoy their own "full lighting" again. We took this opportunity to upgrade the other lights in the auditorium at the same time.

Starting in September - more details to come soon

We are a people of blessing!

A neighbour in a nearby street was needing room to temporarily store some shipping containers. He approached us about some of our 'space' in the car park. It is great that we can bless him in this practical way.

Trust in the Lord completely, and do not rely on your own opinions. With all your heart rely on him to guide you, and he will lead you in every decision you make.
