The Meeting Place Magazine

Vol.3 March, 2021

THANK YOU!

To all those who continue to support us we say a huge **THANK YOU**. Whether it be prayerfully, financially, volunteering, or supporting us through attending the Meeting Place, we really do appreciate your ongoing support.

God has blessed us abundantly and we continue to have many opportunities to share and bless many people within our community.

Our opShop and cafe continue to be valued sources of both blessing and provision (physically, emotionally and spiritually). The cafe area has had a facelift with the entrance being freshly painted and large print painted on the back wall -

"Shalom let peace be upon you"

This year it has been great to see how indoor bowls, card playing and craft making, have provided ways for more people to be involved.

Unfortunately the season for Little Treasures has come to and end. We do say thank you to all those involved over the years until we stopped due to COVID last year. However, some people have moved in different directions and we are not able to find enough volunteers so we have made the decision to cease this work for now.

Coming up in April we will be commencing a Prayer Morning on the 4th Wednesday of each month. Everyone is welcome to join in this time.

In June we have a special morning tea planned, with a fashion parade. Garry & Leanne Day will be singing and sharing.

Please feel free to come and have a look at what is happening at the Meeting Place. or if you live away pop onto our website or Facebook page.

We bless you in the mighty name of Jesus, May you yield to the purposes of God, in your lives, in this time, in this season, in this year.

We bless you to be a person of curiosity and not someone trying to hold onto control.

We bless you, that as you embrace the mystery, you may find yourself caught up flowing in the river of His grace, going where He takes you, free from worry, free from anxiety, free from fear.

We bless you to rise above your circumstances.

May you have eyes to see and ears to hear what the LORD is saying to you at this time.

We bless you, that you may rise up and soar on wings.

As an eagle flying above, may any difficult and challenging circumstances that you face at this time seem small and insignificant

We bless you in those places of pain and despair, that God may come, the God of hope, that He may fill you, every part of you, and lead you out of the desert, into a wide open space where you're able to feast on Him.

We bless you! May you thrive and flourish in every area of your life

We bless you, that the manifest presence of God may rest upon you, that in 2021 you may encounter God in a new way that you have never seen before, never understood before.

We bless you, that His presence would break in, in such power that your life may be transformed from glory to glory

And we bless you, that you may know His protection, that you may know His tenderness, and that you may know His care.

We bless all these things to you in Jesus' mighty name. AMEN
