People meeting people. God meeting People

Blessings

IN September and October there have been 2 practical ways we have been able to bless people in the Granville community

In September the Meeting Place was blessed to have an opportunity to help with the purchase of essential medical equipment needed by a young man.

The fundraising effort that took place on Sat. 1st Sept was very much appreciated by Matthew and his family.

A very generous response from the community resulted in a gift of \$400 with a further \$100 given after the day.

The photo shows Pat (Matthew's mum) accepting a cheque from Stephen. Pat & Ken (who help out at the Meeting Place) are regular visitors to tMP

In October two young people (twin brother and sister) from the community were not able to afford to go on an SU camp - called Maryborough Madness. With a number of people from Maryborough Baptist also contributing, the Meeting Place was able to offer the final amount (\$50 each) for both of them to be able to go to camp.

Purchase of Building

Through the extreme generosity of the current owner, Meeting Place Connection Inc (MPCI) is now in the process of purchasing the property at 115 Steindl St Granville.

God is certainly moving in an amazing way. The current owner (a Christian couple) recognise the vision that God has given to reach Granville and beyond and have decided to facilitate that vision.

The price offered to us for the purchase is VERY generous and includes a very achievable payback option. The final arrangement is that MPCI will be making repayments of \$400 per week.

If you think that you would like to make a regular contribution, or a one off contribution, you can either contact us or make a direct debit to the building fund account. (see account details on the other page)

Red Dirt Church Granville

a simple, local, church

On September 1st Red Dirt Church Granville (RDCG) started meeting at the Meeting Place. Each Saturday evening we gather as an expression of the local body of Christ- the CHURCH. We share a meal, share around the Word, share our lives. Taking our cue from the book of Acts in the Bible, our aim is to follow Jesus as Lord, seeking to live out the Great Commandment- 'Love God and love others', and the Great Commission- 'Make Disciples'. If you would like to explore more about Red Dirt Church 9or maybe even start one yourself) check out the website www.reddirtchurch.org

Our local mission statement is:

“Fully devoted followers of Jesus
Being transformed and equipped.
Serving and blessing Granville,
Maryborough and beyond.”

And we have even had opportunity to share with some caravaners

Christian RV'ers have been able to stay and relax and be part of the blessing. Comments about the peacefulness and quietness abound.

All the believers were one in mind and heart.
Selfishness was not a part of their community,
for they shared everything they had with one another.
