

Meeting Place Connection Inc

People meeting people. God meeting People

In the Bible it says we are to "give thanks for everything" (Eph 5:20)

At The Meeting Place we have many people who give sacrificially in support of this work..

In fact The Meeting Place would not function without the selfless support of many people in lots of different ways. While we don't personally name you we would like to acknowledge your special contribution to this work.

Thank you to all who volunteer their time.

Thank you to all who make a financial contribution to the Meeting Place

Thank you to all who pray

We have removed the glass from court 1 for the cafe - making the space more practical and user friendly. Many people have commented how welcoming this new space is.

Garden Party

This special day was designed to encourage and bless the people of Granville as well as to come and see some of the things that happen at The Meeting Place.

Congratulations to Dennis & Dell and co. on creating a beautiful tranquil garden where people can find a space for reflection and welcome.

Proceeds from the Silent Auction and the "super draw" enabled the Meeting Place to make

significant donations to the Granville State School Chaplaincy program and also warm clothing for the children of New Hope School in Soweto, Kenya.

Thank you to those who made the fashion parade so entertaining, for the support from the Vintage Car Club... and all those who gave so generously to make this day such a success

1ST SUNDAY OF EACH MONTH

12.30pm

You are dearly beloved by God.

We bless you in Jesus name to be supernaturally infused with strength through your life-union with the Lord Jesus.

May you stand victorious with the force of his explosive power flowing in and through you.

based on Ephesians 6:10 *the Passion Translation*
